

# MEET 360WATER

Heyward Incorporated is proud to announce new representation of 360water of Columbus, OH.

360water provides Customized Online Operation and Maintenance Training as well as continuing education contact hours for the water and wastewater industry. With a focus on plant operators, 360water strives to provide solutions to plant problems, online education, introductions to new technologies, and forums for operators to interact with other operators. 360water can customize individual plant O&M Manuals into plant specific training for current and future operators.
