

March 2012

Heyward Incorporated, a premier water and wastewater Manufacturer's Representative in the Carolinas, has been in operation since 1908 and represents an array of principals in the Industrial, Municipal, and Power industries.

March 2012, Heyward-Charlotte Incorporated and Blue-White Industries, Ltd. partnered, offering clients in the Carolinas a unique solution. Founded in 1957 and headquartered in Huntington Beach, CA, Blue-White Industries is a leading manufacturer of metering pumps, flowmeters, and water treatment accessories.

The addition of Blue-White Industries to Heyward Incorporated's list of accounts supplements the wide assortment of solutions available to clients in the Carolinas.
