

North Carolina Waterworks Operators Association
Training Tomorrow's Water Professionals Today.

29th Annual North Carolina Waterworks Operators Spring School April 8-12, 2019

Including Advanced Day Wednesday, April 10, 2019

Hickory Metro Convention Center - Hickory, NC Presented by the North Carolina Waterworks Operators Association with the cooperation and sponsorship of the North Carolina Department of Environmental Quality, Division of Water Resources, Public Water Supply Section

ATTENTION OPERATORS - Need help with math? Special Class - Basic Math for Operators (Review basics of Algebra, percentages, solving problems and more) This class will be held from 10:00am - 12:00noon on Monday prior to Spring School registration. This class is designed for reviewing basic math skills to better prepare operators for math classes held during certification school. This class is open to all operators free of charge who are registered for Spring School. This class is NOT REQUIRED as part of the certification school but is limited to 40 participants.
