

LEADING THE FUTURE OF WASTEWATER TREATMENT SOLUTIONS

AUC Group offers turn-key manufacturing and installation of both field erected steel treatment plants as well as flexible, modular steel plants that are designed to expand as needs arise.

- 🔧 Scalable as Your Capacity Needs Grow
- 🔧 Expansions and Upgrades to Existing Systems
- 🔧 Bypass Treatment Rentals

WHY BUY WHEN YOU CAN LEASE?

AUC Group provides cost efficient wastewater treatment solutions with leasing options that no one else offers. Retain capital for your business and avoid prematurely committing to an oversized facility.

Choose a plan that is right for you:

- 🔧 Short term lease
- 🔧 Long term lease
- 🔧 Lease with purchase option

A TRUSTED PARTNER FOR OVER 45 YEARS

AUC Group has built a solid reputation of dependable, quality work with a commitment to our customers and the environment. We have successfully completed more than 1,500 plants in our history, ranging in capacity from 5,000 gallons per day to over 1,500,000 gallons per day.

We offer a wide variety of treatment systems including:

- | | |
